

Voice Mail user guide

Did you know with **Voice Mail** you can...

- receive messages while you are on or away from your phone
- check your messages from anywhere
- forward and reply to messages
- see when you have a message using a phone with a visual indicator

Enhanced Voice Mail is now available in Iqaluit giving you even more options.

Call 1-888-423-2333 to sign up or visit www.nwtel.ca

Don't forget other Calling Features

such as: *Call Display, Call Waiting, Call Forwarding, 3-Way Calling, Smart Ring, Call Trace, Speed Call and Call Return*

Combine the Calling Features you want with *FeaturesPlus* and create your own package. Save up to 40% with the *FeaturesPlus* discount!
